

2014 PACIFIC-ASIA JUNIOR CURLING CHAMPIONSHIPS (PAJCC)

Harbin, China ... 8-14 January 2014

Draft v3: 23 October 2013

- 1. World Curling Federation (WCF) rules apply, unless otherwise indicated below, or stated during the official Team Meeting, which is scheduled between 11:45 12:15 at the Harbin Ice Rink, on Wednesday, 8 January 2014.
- 2. The Junior Women (5 teams) and the Junior Men (5 teams) will play a double round robin series. At the end of the round robins there will be a ranking established for places I to 3 using the June 2011 WCF Rules of Competition (C9) -Team Ranking Procedure. In the single semifinal games the teams ranked # 2 will play against the teams ranked # 3. The winners of the semifinals will play in the Gold/Silver medal games against the teams that were ranked # 1. The Gold Medal winners qualify their Association for the 2014 World Junior Curling Championships in Flims, Switzerland.
- 3. All games will be ten (10) ends, with extra end(s) to break tied games.
- 4. There will be a ten-minute practice for each team before every game. The practice starts 30 minutes before the scheduled game time (i.e. schedule shows 10:00 therefore 09:30 09:40 the team having last stone in the first end practices, 09:40 09:50 the other team practices, 09:50 10:00 ice cleaning, 10:00 the game starts).
- 5. In the official schedule the * indicates last stone in the first end. Since every team plays every other team twice, they will have last stone in the first end in one of those games, and will be without last stone in the first end in the other game.
- 6. In any tie-breaker games, if one team won both round robin games, then that team will have the choice of last stone advantage in the first end (first practice), or the choice of stone colour. If both teams won one game against each other in the round robin, there will be a coin toss and the winner of the toss will have the choice of first or second practice, or choice of stone colour, then the LSD procedure will determine last stone in the first end.
- 7. In the semifinal and Gold/Silver games, if a team is clearly ahead of their opponent after the round robin (wins losses), or if tied and one team won both round robin games, then that team will have the choice of last stone advantage in the first end (first practice), or the choice of stone colour. If the teams were tied (wins losses) and both won one game in the round robin, there will be a coin toss and the winner of the toss will have the choice of first or second practice, or choice of stone colour, then the LSD procedure will determine last stone in the first end.
- 8. First named team in each of the round robin games plays the stones with the dark coloured handles and should wear dark coloured upper playing garments.
- 9. The Chief Umpire will determine the schedule and ice for any necessary tie-breaker games as soon as the number of games required and the opponents have been clearly determined. The Chief Umpire will also decide additional training times and ice.
