Registered Testing Pool (RTP) – Whereabouts Filings

Delegation to a Third Party/Athlete Agent

The World Curling Federation (WCF) Registered Testing Pool (RTP) is a pool of top-level athletes established by the WCF. RTP Athletes are required to provide WCF with the whereabouts information in accordance with Article 5.6 of the World Anti-Doping Code 2015 and the International Standard for Testing and Investigations. Repeated failure to provide such information or to be available for Testing at the location(s) specified will constitute an Anti-Doping Rule Violation (ADRV) under the WCF Anti-Doping Rules.

I, the undersigned RTP Athlete, hereby request to delegate to a third party the making of some or all of my Whereabouts Filings to the Undersigned third party.

I am aware that despite delegating some or all of my Whereabouts Filings to a third party, I remain entirely responsible for any failure to comply with the requirements of the WCF Anti-Doping Rules. Any consequences and periods of Ineligibility that are imposed due to an ADRV under Article 2.4 (Whereabouts Failures) of the WCF Anti-Doping Rules will still apply. As with any other Anti-Doping Rule Violation (ADRV), a tribunal would not accept a plea that I had delegated the task to a third party.
