### Checklist for shipment to testing facility:

- Product drawing with dimensions
- Foam sample (6 units)
- Assembled heads (6 units)
- Fabric sample large enough to make one unit, cut in required direction
- Unassembled base/faceplate (1 unit)
- Capture piece and connectors that attach the assembled head to the handle (1 unit)

When complete, ship samples for testing to:

**ISP GmbH**  
Hr. J. Sliwinski (+49 2506 30 77 000)  
Amelunxenstr. 65  
48167 Münster  
Germany

Testing and reporting will be completed within 3 weeks from receipt of samples and order.

The fee to conduct testing on one product (three samples) will be 1,395.00 Euro, excluding VAT.

Samples sent from outside of EU should be marked:

**SAMPLES FOR DESTRUCTIVE TESTING  
FREE DOMICILE AND IMPORT DUTY**
